On Friday, September 8, the Multi-County Cancer Support Network's Walk-A-Thon will continue with a tradition that has been ongoing for 30 years - unifying cancer survivors and their families to win against the disease. Lots of planning and preparation go into each year's event. Volunteers are always needed in so many different capacities. The officers, directors and the office staff of MCCSN are grateful for each of the 'regulars' and welcome all 'newcomers'.

Forms for obtaining memorial and honorary candles for the candle lighting ceremony, t-shirts for cancer survivors, sponsor and team forms are being included this month for your convenience. This helps the office staff when applications are received early. They have been busy getting the t-shirts ready for distribution. If you did not receive a team packet, please contact the office. *Team shirts can be picked up beginning August 1st.* Early response from teams is also welcomed.

The reason MCCSN is so successful is because of the support of many people. We know each year at the Walk-A-Thon there will be many familiar people who have worked year after year to raise money so that we can provide financial assistance to cancer patients.

We hope there will be many new faces that will join us for the 2023 Walk-A-Thon.

Multi-County Cancer Support Network Receives \$7,302.00 Donation from Coffee Airfoilers

Once again Coffee Airfoilers amazed the crowd recently with their wonderful equipment at their annual “Fly Away Cancer” event. Thanks to everyone involved from planning and preparing to helping throughout the day. The large variety of aircraft ranged from 40 years old to new. A flight instructor was on site to assist in the flight simulator. T-shirts were sold throughout the day at the field as well as online. Shown above is Bill Crawford, Coffee Airfoilers Club Officer, presenting \$7,302.00 to MCCSN Vice President Carol Davis.
