

CANDLE LIGHTING 2010

There will be a candle lighting ceremony at the 17th Annual WALK-A-THON hosted by the Multi-County Cancer Support Network (MCCSN) on Friday, September 10, 2010 at the old Franklin County High School Stadium at 8:45 PM.

Candles will be lit in honor of loved ones whose lives have been touched by cancer. Candles will be placed in luminary sacks, then placed around the track and lit in a special ceremony.

If you have a loved one you would like to pay tribute to, you may purchase a candle for \$10.00. All proceeds will go to the support network to benefit cancer patients in our multi-county area. Advanced sales will help to ensure that we have enough candles to light on the 10th.

If you have a loved one (either living or deceased), whose life has been touched by cancer that you desire to honor, please print the name on the space provided below:

Name of person or organization purchasing the candle (please print):
